TERMS AND CONDITIONS

Payment terms

1. The terms of payment are strictly thirty (30) days (or such other period as nominated by the supplier herein) from the end of month of date of invoice and payment is due and payable on that date. Envirotech Façade Solutions Pty Ltd ABN 16 138 073 631 and its related bodies corporate (as that term is defined in the *Corporations Act 2001 (Supplier)*) may, at any time, unilaterally vary the terms of trade in its absolute and unfettered discretion.
2. Should the Applicant not pay for the goods or services supplied by the Supplier in accordance with the credit terms as provided herein, or as agreed in writing by the Supplier from time to time, the Supplier shall be entitled to charge an administration fee of 10% of the amount of the invoice payable per year, or part thereof, from the date the goods or services were supplied (and not the day when the Supplier's invoice was payable) until payment by the Applicant.
3. A \$10.00 surcharge will be applied to each order, other than a backorder, which has a net value less than \$75.00. This surcharge will be strictly enforced.

Jurisdiction

4. The Applicant acknowledges and agrees that this agreement shall be governed by the laws of the state identified on page 1 herein, and the laws of the Commonwealth of Australia which are in force in that state.
5. The Applicant acknowledges and agrees that any contract for the supply of goods or services between the Supplier and the Applicant is formed at the address of the Supplier.
6. The parties to this agreement submit to the non-exclusive jurisdiction of the courts in that state and the relevant federal courts and courts competent to hear appeals from those courts.

Security/charges

7. The Applicant charges in favour of the Supplier all of its estate and interest in any real property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
8. The Applicant charges in favour of the Supplier all of its estate and interest in any personal property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
9. The Applicant appoints as its duly constituted attorney the Supplier's company secretary from time to time to execute in the Applicant's name and as the Applicant's act and deed any real property mortgage, bill of sale or consent to any caveat the Supplier may choose to lodge against real property that the Applicant may own in any Land Titles Office in any state or territory of Australia, even though the Applicant may not have defaulted in carrying out its obligations hereunder.

Purpose of credit

10. The Applicant acknowledges and agrees that the credit to be provided to the Applicant by the Supplier is to be applied wholly or predominantly for commercial purposes.
11. The credit facilities provided by the Supplier are not transferable by the Applicant without the prior written consent of the Supplier. The Supplier may assign this agreement to another party without prior notice to the Applicant. The Supplier will give the Applicant notice when the assignment has been effected.

Formation of contract

12. Quotations made by the Supplier shall not be construed as an offer or obligation to supply in accordance with the quotation. The Supplier reserves the right to accept or reject, at its discretion, any offer to purchase received by it. Only written acceptance by the Supplier of the Applicant's offer shall complete a contract.
13. Placement of an order, either verbally or in writing, shall imply acceptance of the Supplier's offer and of these terms and conditions.

Orders

14. Any order which cannot be executed from warehouse stock will automatically be back-ordered and processed when stock becomes available, unless the Applicant specifically marks the order "DO NOT BACK ORDER". Deliveries at any time are subject to availability of stock and the Supplier will not be liable for any charges due to unavailability of product.

Delivery

15. Delivery will be made at the agreed charge within the metropolitan area of capital cities. In the cases of other destinations, goods will be delivered F.O.R. or to road transport depots. Orders which will be delivered free of charge will be insured by the Supplier until the point of receipt by the customer. For other orders, all risks associated with the goods shall pass to the customer immediately the goods are despatched.

Retention of title

16. Whilst the Applicant has not paid for the goods supplied in full at any time, the Applicant agrees that property and title in the goods shall not pass to the Applicant and the Supplier retains the legal and equitable title in those goods supplied and not yet sold.
17. Until payment in full has been made to the Supplier, the Applicant will hold the goods in a fiduciary capacity for the Supplier and agrees to store the goods in such a manner that they can be identified as the property of the Supplier, and shall not mix the goods with other similar goods.
18. The Applicant shall be entitled to sell the goods in the ordinary course of its business, but until full payment for the goods has been made to the Supplier, the Applicant shall sell as agent and bailee for the Supplier and the proceeds of sale of the goods shall be held by the Applicant on trust for the Supplier absolutely.
19. The Applicant's indebtedness to the Supplier, whether in full or in part, shall not be discharged by the operation of clause 18 hereof unless and until the funds held on trust are remitted to the Supplier.

20. The Applicant agrees that whilst property and title in the goods remains with the Supplier, the Supplier has the right, with or without prior notice to the Applicant, to enter upon any premises occupied by the Applicant (or any receiver, receiver and manager, administrator, liquidator or trustee in bankruptcy of the Applicant) to inspect the goods of the Supplier and to repossess the goods which may be in the Applicant's possession, custody or control when payment is overdue.
21. The Applicant will be responsible for the Supplier's costs and expenses in exercising its rights under clause 20. Where the Supplier exercises any power to enter the premises, that entry will not give rise to any action of trespass or similar action on the part of the Applicant against the Supplier, its employees, servants or agents.
22. The Applicant agrees that where the goods have been retaken into the possession of the Supplier, the Supplier has the absolute right to sell or deal with the goods, and if necessary, sell the goods with the trademark or name of the Applicant on those goods, and the Applicant hereby grants an irrevocable licence to the Supplier to do all things necessary to sell the goods bearing the name or trademark of the Applicant.
23. For the avoidance of doubt, the Supplier's interest constitutes a 'purchase money security interest' pursuant to the *Personal Property Securities Act 2009*.

Claims

24. No goods may be returned without the express permission of the Supplier. Credit will only be allowed at the discretion of the Supplier and it is the responsibility of the Applicant to pay freight costs involved in the return of goods unless otherwise authorised. Goods returned must be clearly identified as to sender, contents and nature of claim, and must be delivered to the Supplier's main store in each State or nearest railway station. Claims for price adjustment or for incorrect supply of goods must be made in writing within 30 days of receipt of goods, and must quote original invoice number.

32. The Applicant undertakes to comply with any request by the Supplier to provide further information for the purpose of assessing the Applicant's creditworthiness, including an updated credit application.
33. If the Applicant is a corporation (with the exception of a public listed company), it must advise the Supplier of any alteration to its corporate structure (for example, by changing directors, shareholders, or its constitution). In the case of a change of directors or shareholders the Supplier may ask for new guarantors to sign a guarantee and indemnity.

Insolvency

39. If the Applicant becomes insolvent, the Applicant remains liable under this agreement for payment of all liabilities incurred hereunder. The Applicant remains liable under this agreement even if the Supplier receives a dividend or payment as a result of the Applicant being insolvent.
